

## Field Trips

At Pushkara, we believe in learning beyond the classroom. This year, Grades I and II visited the Egmore Police Museum, Grades III and IV explored the Snake Park, Grades VII to X toured the Crocodile Park, and Kindergarten, along with Grades V and VI, had fun at the Children's Park. These memorable trips sparked curiosity and gave students a chance to discover the world in a hands-on, exciting way.

At Pushkara, we ignite young imaginations. Kindergarten students embraced creativity through Cartoon Day, Family Day, and Aquatic Day, with activities ranging from dressing as favorite characters to exploring marine life, all while learning essential values and fostering fun-filled experiences. These events encouraged self-expression, teamwork, and a deeper understanding of the world around them. It was a celebration of creativity, learning, and togetherness.

# Pushkara Public School

Reflect on a year of excellence at Pushkara Public School, where every step was a leap toward success and growth. In 2024-2025, we celebrated countless milestones, fostered a culture of learning, and created experiences that will last a lifetime. A year filled with innovation, accomplishments, and a strong sense of community is what we proudly commemorate! As we look ahead, we remain committed to shaping a bright future together.

### Workshops and competitions

Various workshops were conducted to enhance students' personal growth, creativity, and well-being. Sessions focused on emotional well-being, creativity through storytelling, life skills like teamwork and problem-solving, and mindfulness through yoga. These interactive experiences fostered holistic development and lifelong learning.

### Celebrations

Pushkarians deeply value cultural traditions and festivals. The school celebrated Tamil New Year, Onam, Krishna Janmashtami, Pongal, Diwali, and Ganesh Chaturthi with activities like storytelling, dance, and competitions, fostering cultural pride and unity.

### Art Classes

At Pushkara, creativity is at the heart of everything we do. The Canvas & Connect Art Expo showcased vibrant students artwork, from Warli to Zentangle and Madhubani, reflecting diverse artistic expressions. Adding to the festive spirit, the Christmas Craft Activities had students crafting wands, trees, and snowmen, spreading joy and cheer. These events not only celebrated the power of art and culture but also fostered unity, leaving unforgettable memories for all.

### Art Integration

The school seamlessly incorporated CBSE art integration projects, enabling students to explore various concepts through skits, dramatizations, and artistic expressions. This initiative enriched learning by blending creativity with academics, making education more interactive and meaningful.

### Sports

Sports Day at Pushkara was a lively celebration of athleticism and teamwork. The event featured exciting drills, impressive pyramid formations, and engaging games, creating an atmosphere of energy and enthusiasm throughout the day. It was a memorable occasion that showcased the spirit of collaboration and sportsmanship among all participants.

### Academic Excellence

At our school, academic excellence goes beyond textbooks. Through interactive learning, hands-on activities, and innovative teaching strategies, students develop a deep understanding of concepts. Regular assessments and enrichment programs ensure continuous progress, empowering students to excel in all spheres of learning.
